

Terms of Use

Disclaimer

AshburtonOnline shall not be liable for any loss, damage or inconvenience arising from any inaccuracies in our Website content. Also we can not control the content or take responsibilities for pages maintained by external providers/organisations that can be accessed through our site. Any external products and services listed do not necessarily carry the endorsement of AshburtonOnline or imply a recommendation. If you are aware that any of the information here contains mistakes or needs updating, please tell us.

However, human error and changes can occur. AshburtonOnline expressly disclaim any representation or warranty, expressed or implied, concerning the accuracy, comprehensiveness, or suitability of the information for a particular purpose. We produced this Website in good faith and are not responsible for any errors, omissions, or results obtained from the use of the information herein.

We cannot agree that the service will be fault free, or free bugs. Different browsers display content differently. This site has been tested in Internet Explorers 6 & 7, Firefox & Opera at screen resolutions of 1024 x 768 & 1200 x 1024. If a fault occurs in the service we will attempt to correct the fault as soon as we reasonably can. Your access to the site may be occasionally restricted to allow for repairs, maintenance or updating.

AshburtonOnline reserves the right to reject any listing that it feels is inappropriate.

Privacy Policy

The information we collect from subscribers to the AshburtonOnline Business Directory is used by us to display data on this site only. We will not share this information with any other parties. We are committed to maintaining the privacy of personal information that you provide to us.

Other than in our Business Directory, we do not automatically capture or store personal information, other than logging the user's IP address and session information such as the duration of the visit and the type of browser used. This is recognised by the web server and is only used for system administration and to provide statistics, which we will use to evaluate the site. This policy does not cover links within this site to other websites.

The AshburtonOnline site contains links to third party resources on the Web. We do not endorse, approve or sanction these nor are we responsible for any third party's products, services, acts or omissions. There is no association or connection between us and the third party (unless official 'Microsites') save for the provision of the link.

Copyright

Material featured on this site, including all photographs and logos are subject to copyright protection unless otherwise indicated.

Security and Data Protection

AshburtonOnline has security measures in place to attempt to protect against the loss, misuse and alteration of customer data under our control. While we cannot guarantee that loss, misuse or alteration of the data will never occur, we promise to do our utmost to prevent against any such occurrences. We can be contacted on 03 3070386 regarding this.

Summary of terms

Browser: Used to locate and display web pages via a software application. The most popular ones are Netscape Navigator and Microsoft Internet Explorer.

IP (Internet Protocol): All networks connected to the internet speak IP, the technical standard that allows data to be transmitted between two devices. TCP/IP (Transmission Control Protocol/Internet Protocol) is responsible for making sure messages get from one host to another and that the messages are understood.

IP address: If you are connected to the Internet you have one, for example it may look something like this 107.175.32.7

Web Server: Delivers (serves up) web pages to your computer. The AshburtonOnline server is a Quad Core Xeon 2.4 server with 4GB of physical Ram and our operating system is CentOS.
